The Story:

Alex was dressed to kill in a silk blouse and tight mini skirt that showed off her amazing legs. I was unable to stay for the full-hour because her red lipstick got a stain on my shirt and so I had to get off to clean it before a client meeting! Ooops! In the half-hour that preceded this, I had a full-on session in which I tied Alex up, led her around by a leash and generally had my wicked way with her. An incredibly passionate time.
