The Premises:

Outcall to my place, a little ways outside Manchester.

The Lady:

A stunningly gorgeous girl with a cracking body. Slim and sexy, looked especially good in stockings and lacy undies.

The Story:

After seeing Elise from CI earlier in the day, I was ready for more and so glad I arranged a date with Zara. She is beautiful, sexy and a lot of fun to be with. She put me at my ease (never done an outcall to my home before, and it all worked out perfectly) and made the evening a lot of fun. Great sex, oral (giving and receiving) and general shenanigans were all top notch.

Do yourself a favor, figure out a time to see Zara, you won't regret it. And if you're in Manchester, and are not sure about the parlour scene, check out Cheshire. Highly recommended.
