The Premises:

Nice enough studio apartment not far from a well known block in South Kensington. Discreet and fit for purpose.

The Lady:

Tall for an Asian girl, nice features, lovely slim body with nice fake tits, big nipples and a cute ass.

The Story:

This was actually a duo booking with the marvellous KristenDD who is my preferred partner in crime for threesomes as she is genuinely bisexual which is important to me. We both liked the look of Lily's pictures so decided to pay her a visit. Lily was friendly and welcoming, seemed delighted that I'd brought along Kristen! After getting business out of the way and a quick shower, the action kicked off.

Well no doubt at all that Lily is totally bi! She buried her tongue in Kristens ass while Kristen deep throated me and before long the bed was a blur of activity. Lily was up everything, A level, rimming and her bbbj was excellent! I then fucked Kristen while she worked her magic tongue into Lilys pussy bringing her to a shuddering orgasm.

I finished off by giving both girls a facial which they happily licked from each other's faces.. A very horny finish!

In summary, Lily is a super girl and a very welcome addition to the scene. An excellent threesome with KristenDD and definitely one I will repeat!
