The Story:

I had been wanting to see Katusha for a while but was hesitant as I got feedback that she doesn't do OWO. After sorting out beforehand that she would I booked her from a website separate from Loyalty - I am only including in review as she is on holiday and therefore not on the website through which I originally booked. Super nice personality and a pretty face however was quite disappointed as to her figure when the wrapping was uncovered - not as fit and pert as in the pics. It was a fun time and she is good company /puts in effort. Would recommend if you are not after a companion with a perfectly toned figure. However, I will not return as she doesn't meet my criterion.
