The Premises:

Easily located, semi-detached house just outside Yardley town centre. Fairly safe and discreet residential area but house itself felt a bit cramped.

The Lady:

Pictures of this girl are real though she had not made any effort with her appearance i.e no make-up, hair tied back, wearing a bathrobe and slippers. She is about 5ft tall, dress size 6, early twenties with long blonde hair and of Romanian descent. Enhanced C/D-cup boobs.

The Story:

Arrived at her address, and was directed upstairs by another girl. I was told Carolinne would be busy for a few hours, and asked if I would like to choose one of two other girls, despite making a booking and having confirmed services and prices. I declined this offer and eventually Carolinne appeared, unenthusiastically and told me she did not do kissing, OWO or CIM, but prices were the same. After a quick shower we eventually got going. I had a quick play with her boobs which she recently had done and are rock solid. She complained I was being too vigorous with them; they are a bit wonky, so on went the protection, and I asked if we could move to the 69 position, which we did. She did taste okay and said she did anal for a bit extra too, but now she was being vigorous with me, using her hands to the point I had to slow her down to get on top. After about five minutes, she again complained I was being too vigorous and kept telling me to hurry up, and not pause. A few minutes later, one of the other girls shouted that time was up. I complained that we had only just started, but she claimed the brief shower I had was the start of the booking. This was a new one on me, but I finished and left.
