The Premises:

What a fabulous experience ,You should definitely visit this lady !
huge luxurious apartment in a top notch affluent area , no rif raff about plenty of free secure parking
...pub near by ..what else do you need !

The Lady:

Ms jones is tall and has the most gorgeous athletic slim figure ...the perfect 10 all in proportion , she stands straight and upright , she must have gone to public school as she is obviously a product of good breeding ..pretty brown eyes long flowing hair , engaging and intelligent but most importantly makes you feel like she is actually pleased to see you and is eager to spend time with you, you feel very special from the outset !

The Story:

all i can say gents its NURU NURU NURU you pay a little extra , but the trade off is you get extra time .Its what happens in that extra time which is where the real quality experience is ..absolutely OUT OF THIS WORLD...i advise book this service with Ms jones and happy memories will walk with you long into the future .

Thank you jasmine
