The Premises:

A very nice apartment. Lovely and clean. In a safe area easy to get to.

The Lady:

Kirsty is a red haired beauty with an attractive pale skin colour. She is lithe, supple and very fit.

Beautiful long legs that seem to go on forever.

She has a wonderful and sensuous curved back leading to a lovely behind.

The Story:

Kirsty gave me a real girlfriend welcome with some nice kissing and an interesting getting to know you chat. That alone turned me on and I felt myself rapidly hardening. She was very attentive and considerate offering a shower and providing chocolate truffles for our enjoyment. We poured our champagne, tasted our strawberries and fed each other truffles while Kirsty showed me around the delightful apartment.

We cuddled and deep kissed and that was an absolute pleasure. It was also a joy to pepper her lips, face, neck and shoulders with kisses while admiring her perfectly formed lithe body. Kirsty started to undo the buttons on my shirt having admired its colour and feel. What a lovely sexy girlfriend she is!

Kirsty is a beautiful girl to behold and beautiful in nature to be with. She is in fact just like her gallery photos.

Pretty soon we were in the bedroom and undressing just like boy and girlfriend; she admired my cock remarking how big it was (mmm?) and how hard it was (well – yes!)....she is so nice I could do nothing wrong. Kirsty asked me what I would like to do so I told her my dreams. I knew she had a delicate back so when I quite suddenly threw her onto her back to begin using my tongue on her fanny and arse I made sure to catch her head in my hand so as to lower her gently. To that my lovely, lovely Kirsty said how strong I was and how considerate – you get the message - this girl is your best sweet girlfriend. Her fanny and arse both tasted so sweet and she so enjoyed my mouth and tongue on her clit and lips. How we laughed when I (rather bluntly) announced that I was going to fuck her arse.....and how lovely it was to see and feel my cock moving in and out and to see each other enjoying it in the large side mirrors. Oh there was so much to enjoy – She laid on her front and tongued my arse and then I was in heaven seeing Kirsty, doing push ups over me and taking my

cock completely in her mouth in slow motion, she was making love to my cock, not just a lot of rapid movements but loving licks and sucks. Later we interspersed our fun with champagne and more strawberries. We were wicked, after biting into a strawberry I rubbed the juice into her fanny and licked it off, following that we both enjoyed sucking the strawberry in question off....ha ha ha!

All the time I had great fun kissing and stroking her waist, bum, legs and feet to the point of extreme tickling then just stopping short of too much. Eventually Kirsty found my ticklish areas and my balls really enjoyed themselves!

Taking Kirsty in missionary I found her fanny just as tight as her arse and I could hear and feel her enjoyment - so much so that I rolled her over and pulled her to the edge of the bed for a very enjoyable doggie session. Then followed a lovely cock wank and licking followed by a fun snowballing session. Finally we took a slow goodbye with more cuddles and a champagne and chocolate feast followed by a leisurely shower. I overran a little but she did not rush me at all. Thank you so much Kirsty for such an enjoyable date. Beautiful person - Love and kisses XXXX XXXX
