The Premises:

We met at a flat Katalina stays at when she is here. It is above shops on a main road in a reasonable area. Close to both a tube and overground station.

The Lady:

Katalina is a very slim dark haired young Hungarian lady. Lovely firm little bum and pert little breasts.

The Story:

I have wanted to see Katalina for some time but she only works a couple of weeks at a time and then goes back home for 2 or 3 weeks. Fortunately on this trip we managed to fit in a meeting.

When I arrived Katlina was dressed in a short dress and black hold ups and looked gorgeous. As Katalina will only allow anal with less than average size guys I decided to opt for a half hour to see how things went.

After a little kissing and cuddling I was rock hard and Katalina confirmed I was too big to meet her anal limits.

After licking her sweet mainly shaven pussy, no deep tonguing or fingering, she sucked me and then covered me up and lay back and I slipped into her. It was very pleasureable to be able to lift her up to meet my thrusts and I soon came.

Half an hour is cum once only, so we had a bit of a chat and I left.
