The Premises:

Nice modern flat at bayswater area, not near to station. You need 5-7 minutes walking.

The Lady:

Same girl but, the photos in site are geniously photoshoped. She is a bit more weight.

The Story:

Although she isnt the girl that you can look more for one time in the road, her level of services was very poor! She looked very boring for sex and was full of complaints in every position. From the services, only OWO but with beefing and nothing else. She tried to look friendly but there is the feeling "come on to finish". she asked for the time, 20 minutes before. She is Romanian girl, and as usually they are hit-and-miss situation.
