The Premises:

I've been to this place before . Beautiful , quiet residential mansion block .
Lovely upmarket flat , very secure , clean , airconditioned .
Facilities of drinks , movies and a powerful large shower !
Close to two tube stations , overground , and with parking facilities all day .

The Lady:

Alice is the quintessential goddess to me . Extremely attractive face with a lovely sincere smile ...
Petite but with a gorgeous curvaceous body with two boobs that have to be seen to be believed !
Just put your hands on those and you will experience Nirvana .

The Story:

She is good . She is very good !!
She moves with the agility of a panther and she looks much younger than her real age ! Voluptuous ,
luscious and extremely erotically charged , despite her angelic face , she is actually a consumed
sex devil that will give you value for each sterling spent and more !
