### The Premises:

The place is deceiving from the outside as its really nice and clean inside, discreet entrance

### The Lady:

OMG this lady has some serious legs, very attractive and tall.

### The Story:

Went for the 30min GFE experience and started with a shower then onto the bed for some amazing OWO, next I returned the favour but she was not big on my touching her massive boobs.

I went in for a French kiss but could not even get a peck, even though it states kissing on profile ??

If I had of known this I would have gone for Danni again, she is great :)

On with the cover where we tried a few different positions, ending up in doggy.

Ok experience but better service offered here by others, unless she was having an off day.
