### The Premises:

The first floor flat is located about 5 minutes from Whitechapel tube station. It has an intercom entry and it is very clean inside with shower facilities.

### The Lady:

Sara is a slim, red haired East European girl with 32b breasts.

### The Story:

A varied session which started with excellent oral without. I almost came in her mouth, but I wanted to try some anal with her. For that I paid an extra £20. On went the condom and it was a struggle to penetrate because she was very tight. After finally doing so, I almost came straight away. I took it very slowly and gently and after a couple of minutes I withdrew, took off the condom and came over her breasts.
