### The Premises:

A basement flat that is very secluded and private . There is a discreet entrance away from the high street . The flat is a short and easy walk from Anerley Station . The maid was very welcoming and amusing . The place was clean , friendly and relaxing . A very positive reception experience .

### The Lady:

Violet is a beautiful classic blonde English Rose . She is curvaceous and very sexy . She has a radiant , beautiful and sometimes mischievous smile . Violet is about average height and has long blonde hair . She wears very sexy but tasteful clothes and is exquisitely made up . She is very much the uptown type girl .

### The Story:

Violet was very affectionate and provides a really loving girl friend experience . She made me feel totally relaxed and at ease . She is very feminine and not at all critical or fussy or intolerant . She is chatty and has a brilliant sense of humour . Violet is soft , warm and seductive and made me feel wanted and special . A gem of a girl and a wonderful experience .
