The Premises:

No receptionist today so got a txt saying come straight upstairs. Locked door behind me & did as instructed. Marnie always has a little surprise, today she was already wearing her strap-on.

The Lady:

Marnie gets better with age, curvy, sexy & always horny. That Glasgow accent gets me every time

The Story:

Didn't get to top of stairs before I was given a mouthfull of her strap-on. Stripped & tied down Marnie then hoisted me halfway to the ceiling by my balls, on went the nipple clamps & in went the gag.

Not giving full details but lets say I was totally milked for her pleasure.

Marnie you get better with age.

Cn't wait to see you again.
