### The Story:

I came across Sylvia on her website which was very informative and offered a wide range of erotic services. When I called the number listed on the site Sylvia answered immediately and was very responsive to all my questions. We agreed on a scenario for our session for the following day. I had no problems finding her flat in Kensington and I was thrilled when Sylvia opened the door to me as she was more stunning than in her pictures. We had a relaxing glass of wine and then after a quick shower it was down to business. Sylvia had remembered the scenario we had agreed on and she played it to perfection. After some very passionate kissing Sylvia gently pushed me onto her big bed and slowly stated to lick first my balls and then slowly ran her tongue up the shaft of my cock. Just when I thought I couldn't take any more Sylvia mounted me and started to slowly glide her very wet pussy up and down on my cock. I was in seventh heaven and hung on for dear life to make sure I not spoil it all by coming too quickly. Sylvia sensed this and made sure that this did not happen. We switched to doggie and the sight of her beautiful ass in the air being pounded by my cock was too much for me and I exploded into her. Afterwards we had a nice chat and glass of wine and I left with a big smile on my face.
