The Premises:

While Alicia's may feel a little grotty, the personality and welcome from the staff make it a higher mark compared to some other parlour's in the area. The girls are friendly, staff are warm and maintain client confidentiality as key and the place is warm and clean - some of its USP's from the beginning

The Lady:

Two words: horny housewife. Late 20's, shoulder length blonde hair, cute smile, full figure, down to earth Northern personality.

The Story:

Loved the whole encounter - cheeky banter in the room, lots of light kissing, followed by a bit of oral and hand job, complete with kissing and some frankly very sexy talk! Ended with her on top and me churning away but Emma still had time for a nice chat afterwards and a kiss.

There are some girls where you don't need to ask for extras or anything because they deliver the goods in your normal 1/2 hour, Emma is one of them. Definitely a recommendation in the books.
