The Premises:

Diner date at restaurant then back to my place.

The Lady:

5'9" tall, long brunette hair, dress size 10, 36C, very attractive.

The Story:

Georgia is an impressive escort who is brilliant both socially and in the bedroom. At 5' 9" she has the figure of a model and dresses like one too.

Although Georgia is gorgeous and well dressed the best bit about her is her vibrant personality. She exudes sexual energy and has a naughty streak, which makes her an exciting person to be around.

I have seen her for home visits and taken her out for diner on a number of occasions and enjoyed every minute of her company.

Secret's rates may be very reasonable but there is no mistake that Georgia is a high-class lady who is worth seeing again and again.

As for Secret's as an agency I have been very satisfied with the service and found them to be professional and reliable.
