The Premises:

Apartment right in the middle of the city centre on a busy road. Couldn't be more discrete. Apartment itself was very nice inside.

The Lady:

Very good looking Finnish girl in her mid twenties. She has pale skin and red hair. Lovely tits and one of the most freshest, tasty, appealing bald pussies that I have seen in a long time.

The Story:

On arriving Alexandra gave me a kiss and invited me to take a shower. She was very warm and friendly and I immediately took a liking to her.

After giving my cock a good soaping up in the shower I returned to the bedroom and Alexandra immediately started some DFK which was really good. My cock got immediately hard and I could feel it digging into her leg. I lifted her dress and had a good feel of her arse cheeks. She then pulled her dress up over her head and I got to admire her fabulous toned body. I stuck my tongue back down her throat and grabbed her arse, my cock now feeling like it's going to burst with excitement. I showed off a bit, expertly unclasping her bra with one hand and clamping my lips around her gorgeous nipples.

My cock was about ripping through my trousers by now but before I knew it she was pulling my trousers and boxers down to my ankles and sliding the Right Honourable Member for the Lothians into her warm mouth. She sucked my cock like a pro whilst I stood there feeling a bit silly with my pants at my ankles and my socks and shoes still on like some sort of Victorian pervert.

Next we moved to the bed and I got rid of the offending clothes items. I slipped her little panties off and plunged my tongue into her sweet young pussy, licking her clit and then sliding some fingers into her wetting cunt. I am a bit of a pro in the muff diving department if I say so myself when presented with some nice clunge. Sucking and licking her clit I had her soaking in no time and finger fucked her at the same time. I felt her getting wetter and wetter. By now she was screaming and pushing down on my head encouraging me to lick her pussy harder and faster before climaxing and cumming strong. Some of her pussy juices squirted out in honour of my sterling efforts.

More DFK followed, with Alexandra tasting her pussy juices on my lips and tongue before she

turned me over and treated me to an amazing uncovered blowjob. Her technique was amazing, deep and sensual. She massaged my balls as she sucked me and I felt her coaxing me towards orgasm. I decided I would introduce her to the one eyed milkman and unloaded a huge load of cum into her mouth. She struggled to gulp it down faster than it was coming out and some of it dribbled down her chin, but to her credit she swallowed most of it.

I told her how much I had enjoyed her OWO skills, which she was very happy about and we lay down on the bed in each others arms for some chat - me totally knackered now that I'd dumped my wallpaper paste. Alexandra is a very intelligent woman, very easy to talk to and very friendly.

After a bit of getting to know each other I decided to signal the start of the inevitable '2nd pop'. A bit of DFK and then more OWO. I told her that it was time to fuck and on went the English Overcoat onto the end of my naughty Pritt Stick.

She climbed on top of me and fucked me hard and fast, my cock hard again. Next I flipped her over and fucked her in mish. She's got some mirrored wardrobes which give great views of all the action which I was making a lot of use of. Next I flipped her over again and fucked her doggy, spreading her arse cheeks apart to get a good view of her tight little arsehole and slapping her firm arse. She clearly loves this position and was backing herself right on to me.

More OWO followed with Alexandra sucking my cock like she was going for a gold medal. She deep throated me for about 15 minutes non stop, my cock covered in her saliva. Unfortunately the naughty little minx had already milked me dry of every last drop of spunk during the 1st pop and I was unable to cum again but I really appreciated her efforts.

I got on my way and thanked her for a great session.

Very good punt and Alexandra is strongly recommended for all you fresh young pussy lovers.
