The Premises:

This address, 8c Old Compton Street, used to be a standard walk up, but is now intercom entry. It isn't discreet, but I was lucky there weren't too many people about.

The Lady:

I was introduced to 2 girls and I chose Zoe, a tall, busty black girl.

The Story:

After a night out I fancied a topless hand job and I saw some cards back at Oxford Street and was surprised the address was in Soho. It has been some time since I saw a black girl and I was pleased to see Zoe. She is about a dress size 12 with big, firm DD breasts. They really were lovely with large areolas. The hand job was suitably slow and I had plenty of time to lick, suck and play with Zoe's breasts before succumbing to orgasm.
