The Premises:

Club Classique well described previously. We used a room I had never seen before and it was tiny being only the length of the bed but we managed OK (see comments)

The Lady:

The website says 5' 10", a curvy 14 and 34D and who am I to argue with that – nice to have someone nearly as tall as me. She has long blonde hair and is curvy, attractive and chatty.

The Story:

I had phoned and booked having seen her picture on the website and arrived a few minutes early to be met by the lovely Chantelle and shown to a small room I hadn't seen before. Chantelle did offer to let us use the other room but I said it was OK.

Veronica discussed the options and I settled on sex without oral. She started with a lovely back massage then turned me to do the front; plenty of attention to my cock and balls whilst I fondled her voluptuous breasts and then her clit during which she got very wet!

She then applied a condom using her mouth and mounted me for a short session of cowgirl after which I got on top and pumped away for England, cumming with a very intense orgasm.
