The Story:

Nicolette or Nicole or Nicola on a bunch of other sites is a popular new escort. I had been trying to book her for a while and had infact scheduled an incall appointment a week prior - however, Nicolette was double booked so after 40 minutes of dilly dallying was sent back fuming. As I had been desiring to see her for a while took a second stab with a different agency for an outcall - was much smoother this time arranging the meeting with Top Secret. Nicolette arrived on time looking lovely in the requested dress. She is quite new to this profession and super popular - was complaining she had too many appointments on a daily basis. I would say she was very striking in person and all regular services were on offer (DFK,OWO and 2 rounds) Moreover, Nicolette sought to make me happy. However, I think due to her overbusy schedule there was something impersonal and disconnected about the whole experience. I would recommend but not return.
