The Story:

After reading all of this ladies reports. I felt the only way forward was to make a booking. After speaking on the phone, felt very at ease. Very well spoken lady, made an immediate appointment. Was greeted by a tall, very attractive mixed race lady. Hair and make-up perfect. Went straight to well lit, clean room. I couldn't keep my eyes off (honest).

Danni offered a drink (sealed bottle of cool water). She then stripped off revealing a swim suit. Grabbed my hand and proceeded into the garden (not over looked at all by any nosey neighbours). Hot tub (fab). We sat and chatted in tub. What a nice change. I can truly say I've not had the pleasure before ever. We kissed, lots of kissing. She played with my cock (explained no ejaculation to take place, due to hygiene. Her smile along with perfect teeth is still memorable. Into her room we went, still wet. I went down and greeted her shaven pussy. Lots of oral both ways. Doggy style (covered) few positions. Perfect pert natural boobs. This was very much a no rushed girlfriend exp. No clock watching. Will certainly return weather permitting. Hot tub worth a try gents, beats a dingy bedsit anyway. Danni is a true bond girl.
