The Lady:

Scarlet is prettier in the flesh than on her photographs on the website. So she doesn't disappoint in looks

The Story:

Scarlet is very professional, but it didn't feel spontaneous. There didn't seem to be any chemistry between us, something I've felt before when visiting other Angels.

I will not visit her again, as I didn't feel 100% comfortable, but don't let that deceive you. If the chemistry works between you and her, good times are probably to be had..,
