Pretty looking Indian Lady. Curvy with beautiful long hair

The Story:

Being a regular at Houseofdivine I was quite excited as they rarely have Indian ladies and being HOD my expectations were high.

Yazmin was pretty enough but I found her service to be a bit mechanical with a few restrictions that ultimately put me off. These are: just pecking on the lips (no FK), no fingers in pussy, no sucking fingers, no dirty talking... in essence a lack of passion as far as I am concerned and a far cry from the usual high standards of a HOD girl.

On the positive side, she did OWO and was responsive enough when I sucked her pussy

So suffice to say, I will probably not return to see her unless her service improves but would recommend if one doesn't mind the slight mechanical service and wants to be with a good looking indian lady
