The Story:

both of this visit happened, early in the year, with the duo happening late 2012

ive seen Elise twice, once the first time on a duo with Megan, when she arrived i was tied down to the bed, so formal introductions had to wait, as i think she immediately sat on my face, before straddling me and fucking my brains out.

this second visit was a solo appointment as i wanted to spend a little more time with her alone, she is gorgeous, funny, sexy and hot.

treat her well and you will have some fun.
