The Premises:

The area is a nice part of London. Her place was clean, it just looked lived in. But it was nice and there are some very fun unique little parts to her bedroom! :)

The Lady:

Stunning. I would say she is probably 30 / 31. The photo's on the site are obviously photo shopped a bit and there's no need. I've not come across a more sexy smile. Her body is so tight!

The Story:

I've worked abroad a lot and used many services. I've been in London 2 months and haven't found anything to compare to Dubai, New York etc. Until now.

The old saying of you get what you pay for is definitely true here. Whatever you do make sure you do the following:

- Take dirty to this girl when fucking and make sure to ask her to talk back. She is so pretty with such a smile and soft voice that to here her say the things she does is mind blowing.
- Take her doggystyle and admire that small tight sexy ass. Unreal.
- Pull her hair. I didn't the first time but when I did she moaned even louder. She told me after she loves that.

She told me she likes double penetration as well and as soon as I know someone well enough I'll be lining up for that!!

She's entered my top 5 and I'll definitely be a regular there
