The Story:

i have seen Charlotte many times, for both incall and outcall, and she is great.

she does fantastic role-play, and will suggest a scenario, or you can tell her what roleplay you want, she can be wicked and nice.

charlotte has great outfits, and great latex, and both wrap her body up like the best present you will ever get, she has a wide variety of toys, and will quite quickly put you in your place if that is needed.

her sex is great, and her techniques area superb, if you treat her well, and see her more than once then you get more out of each visit.
