### The Premises:

Helen works from a very well situated flat, quite close to the Hub in MK. There is an entry phone outside and the place was quiet so I felt totally safe and secure.

### The Lady:

Helen's pictures are accurate and do not appear to have been photo shopped. She is tall, slim, has a beautiful bottom and a perfectly proportioned figure.

At my request she was wearing her PVC cat suit, thigh length boots and a lovely corset; all the above was topped off with a wicked smile!

### The Story:

I had requested Helen's cocktail session which is a mixture of what I call "soft BDSM" followed by a very raunchy GFE.

She had me strip and then she entertained herself with a wondrous array of toys and her imagination which kept me on the brink. We had agreed limits by e-mail and, though these were stretched a little, I was at ease with the whole thing. I feel certain that she enjoyed herself and I know I did.

Once she had finished her fun I was released and was able to remove her cat suit and boots before we indulged in some very high quality foreplay including the best 69 it has ever been my pleasure to have.

I have absolutely no hesitation in recommending Helen to all punters.
