### The Premises:

Very discreet flat within walking distance to Ipswich Station, easy to find. The flat was very clean and smelling nice. I had no issues with safety.

### The Lady:

Jennifer is an Eastern European lady within her early 20's, she is blonde, average build with great ass and breasts. Speaks good English.

### The Story:

With Jennifer it is a true GFE experience where most things are on the table and within her rates. It started with DFK and then her giving me OWO and me returning the favour by 69. She has a very sensitive reaction to oral and gets wet very quick. The intercourse was as amazing as her OWO. No objections to different positions seems to really enjoy and feel you. She loves doggy position and and provided you start gentle with her she does really go hard afterwards as she is about to cum. It was money well spent on this amazing girl.
