### The Premises:

Its a furnished apartment which was close to the hospital and offered plenty of parking. The place was clean and there were fresh towels.

I got to the location and called Adele and was directed to the flat which was very easy to find.

### The Lady:

Adele is a very sexy blonde who looks great in her high heels and very hot outfit....I could not wait to get them off though.

### The Story:

Adele genuinely enjoyed herself as she got extremely wet. It was amazing how wet she was as I filmed her sucking my hard cock. After she had sucked my cock for about 5 minutes she came up and gave me a deep kiss and I slid my fingers into her pussy and she was soaking....I pointed this out to her and she said filming her made her horny.

As I filmed her I told Adele I wanted to capture it on film and she was more than happy to oblige. It was hard to keep the camera still as she used her tongue expertly on my cock. I had not cum for about 3 days and I am a heavy cummer and I could feel myself spurt several times in her mouth and it was captured on film. Adele then came up to me and she kissed me deep as I took my cum from her mouth and swallowed every last drop. That was very hot.

We took a breather and had a chat, but Adele's attention was soon on my nipple as she started to nibble.

I wanted to return the favour and make Adele cum so she laid back and I started to finger fuck her pussy and at this point she got out her vibrator and started to fuck herself as I played with her. She then got me to fuck her with the vibrator as she played with her clit. it wasn't long before she was cumming. As Adele calmed down I started to play with her clit and Adele said to put my fist in her pussy and to fist fuck her. She wanted me to fuck her hard and really grind her. As I was doing this she was playing with her clit and again she came. She was so wet and I left my hand in her pussy

watching Adele take it all in.

My cock started to get hard again and a short while later she started to suck my cock. A little while later she looked up at me and said she wanted me to fuck her arse and I was more than happy to make her wish come through.

Adele sucked my cock and get it hard and slipped a rubber on and I slipped my cock into her tight arse. I started to fuck her hard as I filmed and it was long before I saying I was going to cum and she said she wanted to feel me shoot my load deep inside her.

it was such a good time and I can't wait for the next time. Adele is one very sexy woman and definitely loves what she does.....
