The Premises:

Nice discrete area, private parking and very quiet during the day. Didn't feel concerned about people seeing me at all.

Clean and tidy apartment with clean shower too.

The Lady:

Her photos are amazing but she is truly much better in real life. Cute petite Thai girl. Pert bum, nice enhanced boobs (but not too big), suckable sensitive nipples. And gorgeous face that is not shown on her photos so this was a pleasant surprise

The Story:

All I can say is I wished I booked for longer...

Greeted with a smile and lovely kiss... A few minutes of chat put me at ease straight away. Suzi speaks very good English which was a positive.

Didn't take long before she was rubbing my cock thru my jeans and pulling them down. Then on her knees looking up at me with the occasional cheeky wink as she sucked my cock long and deep. I almost exploded in her mouth. Which was possible if I wanted but I really wanted a taste of her pussy....it was sweet and juicy and she made some very sexy moans and groans as I licked, running her fingers thru my hair which was very nice.

Finally she pulled me up and said I had to fuck her now... She positioned herself over me cowgirl style and slowly lowered herself onto my cock.... (Condom on of course)..

She bounced up and down getting faster and more passionate as I had the most amazing sight of her gorgeous boobs...

A few minutes more of this was enough for me... We hurriedly changed position to her on knees in front of me again, just in time for me to unload into her mouth..

She lay beside me while I recovered and tried to get me going again but unfortunately she had worn me out, so after some pleasant conversation it was shower time.

As an unexpected surprise she hopped in the shower with me and soaped me down.

Really can't wait to book again, definitely longer next time.

Suzi is a real firecracker!!!
