Gorgeous looking lady. Lovely figure, very kissable lips and a look of innocence about her that totally belies her true nature.

The Story:

I have been punting for many years and always research my meetings carefully so I meet the type of girl that I am looking for. Lia fitted into my requirements exactly. Excellent communication beforehand and a friendly chat over the phone in advance convinced me that we would get along. When she came into the room - wow - gorgeous. We had a nice chat about a variety of subjects and then she went to the bathroom to get ready. When she came out of the room in heels and underwear it was instant erection time. After a lovely bout of kissing she went down on her knees and gave me a wonderful blow job with incredible deep throat. I couldn't cope with too much of that and erupted into her mouth and she proceeded to swallow the lot with a huge smile on that gorgeous face - awesome. After a nice relax and more chat and cuddles she started on me again and we went at it again with cowgirl, doggy and mish before I came yet again with her kissing me deeply. A lovely encounter with an intelligent gorgeous girl. Thanks a lot Lia, you made an old man very very happy !!!
