Nice studio flat on the top floor of a previously visited Georgian-style terraced row

The Lady:

Zizzi is small, about 5' 2". She has long brown hair, nearly down to her waist, which she had tied in a pony tail for most of our time together. She is cute, friendly and bubbly and bears a very strong resemblance to her online pix

The Story:

I arrived late, so had to change my hour arrangement to a 30min slot. I'm glad I did cos in the time we had together we ticked a lot of activities off the box.

Proceedings started off with a shared bath, which was just fantastic. She gave me an estatic BJ which could've made me erupt there & then if I had let her continue. I could've stayed with her in the bath for the whole of our time together, but after 10mins it was out into the bedroom for the main event.

As she knelt on the bed before me I began with RO. I then lay back on the bed and Zizzi gave me a wonderful OWO. Then it was on with the cover and straight into mish, doggie, and vigorous CG before culminating in more OWO and CIM. With minutes remaining I received a brief massage leading to a superb oily HJ bringing me to Pop No.2 right on the half hour mark! What a girl!

After such an erotically charged, sexily active half hour I'm definately going to see her again, but next time arrive on time so that I get a full hour of her delightful service
