The Premises:

Pleasant residential location

The Lady:

A well-known lady who combines a maturity that only adds to her sensuality with a assuredness and filthy side that make a devastating combination.

The Story:

We chatted all the way through - and if that was all we had done it would still have been more than worth the money.

But then Linzi will draw breath and a hand will wander or a piece of clothing will be dispensed with or you will be drawn into an extended spell of kissing and every care in your world will melt away.

So we snogged and cuddled and hugged and groped and talked, talked, talked (but she won't talk much if you don't want her too; she's not one of those).

Then owo and I cannot recall such an exquisite combination of pleasure and hyper-sensitivity. I couldn't keep my eyes open to see what she was doing but it worked wonders.

We finished with energetic sex until domestics intervened and we parted like we had just had a chat about whether I could feed her cat for her the day after next.

You cannot help but keep grounded with Linzi and you certainly cannot help having one heck of a ride.
