The Premises:

Nice flat off the high road in some mews .. I'd lived very close for years and had no idea they were there!

The Lady:

Beautiful Oriental lady, describes herself as Chinese on the other site (she is from Hong Kong she told me and I have no reason to doubt her). Petite, maybe 5 feet fish. Gorgeous, silky smooth ski, fabulous stand-up-and-defy-gravity breasts with perfect pink nipples that react well to oral stimulation, fabulous backside.

The Story:

Asked Jojo if she does DFK on the phone nd she said yes - and does she!. Wonderful kisser, nice massage, and she really enjoys sex. Eitehr that or I will shortlist her for an Oscar. Fabulously wet, allows kissing while you're on the job (great tongue work). Her massage skills are OK, but that's just the warm up. No clock watching either. Felt safe the whole time.
