The Premises:

This booking took place at Erotic Studio on corner of Henrietta street and Summer lane, as usual the place was clean and in a decent area and felt safe.

The Lady:

Well Paris really is gorgeous, not really my normal type of lady as usually go for bustier but have wanted to try this lady out for ages as she oozes sex appeal from her pics and such a pretty lady. Pleased I finally got to meet her and really does look at least as good if not better than her pics, she advertises as 25 but looks maybe about 20 to me a perfect size 8 figure I think with a lovely pair of firm 34B boobs, think she is about 5ft 2 or 5ft 4 and sexy slim legs.

The Story:

Paris is a lovely chatty, bright and bubbly young lady and very passionate, she pounced on me like a tiger and I was so happy. Suggested maybe she should change her name to PARADISE or HEAVEN as she was that good. Lots of very passionate kissing and cuddling and awesome cocksucking and teasing skills and as if that wasn't worth the money alone got to go down on her sweet pussy as I have wanted to do for absolutely ages and then finally sex with her on top and then an awesome hard fucking of her lovely tight pussy in front of the mirror in doggie giving me an earth shattering orgasm. She said early on in the booking "I'm gonna rock your world" and boy she really did that!! Already now planning a 2 hour booking with her next week and an overnight outcall with her sometime this year maybe a xmas present to myself lol
