The Premises:

Well known very near town centre. Multi-occupation with buzzer entry so could be going for a wax treatment.

The Lady:

Blonde and shapely 30 year old with a friendly attitude and ready, easy but not overdone line in chat.

The Story:

Used to the place so always a friendly welcome. Had a wash and settled into my choice of room.

Hadn't met Amy before but pleased with what I saw and she was immediately friendly and easy to chat to.

Amy is at that great stage where she is young enough to be attractive and old enough to know her body, be at ease with it and use it to give you a great time.

We cuddled and kissed and chatted and fondled as if partners who knew what was wanted and what wouldn't be objected to.

We moved on as you do, oral with and then sex in different positions with encouraging signs from both of us.

A lovely, relaxed and sexy time with an attractive lady who makes a great sexual partner.
