The Premises:

Very clean room in an area of Milton Keynes not far from main shopping area.

The Lady:

Very beautiful, tall, lady with wonderful blue eyes and an amazing natural figure. Her photos, although good, do not do her full justice.

The Story:

Was not originally my first choice but time constraints made me choose her. This was my good fortune. An absolutely amazing experience, the best in all my life. I will not go into details, but Elise was all I could have wished for and more. She was attentive and friendly and it did not seem like a commercial transaction. If it is possible I will certainly visit her again
