The Premises:

The venue was a very clean and comfortable hotel near Euston station. The room was very tidy, and there was no hint of any smoke. It seemed like a non-smoking room.

The shower was of top quality, as were the towels. There was also a mouthwash available, which is a must if one has to take full advantage of Chloe's wonderful deep French kissing skills.

The Lady:

Chloe is a beautiful blonde girl. In fact, Chloe is stunning. For those of you who like slim girls, look no further as Chloe fits the bill perfectly.

Add Chloe' sexy eyes and her lovely smile, and you get someone who is just about perfect in terms of looks.

Chloe happens to be one of the friendliest ladies I have met. Although I had never seen Chloe before this appointment, when I met her it seemed as if we had known each other for a long time.

It is not just Chloe's looks and attitude that made my encounter memorable, but it was also her personality, her soft and sexy voice and her overall appeal. Add to this, the fact that she wore black stockings, and the end result is that you have someone who is simply irresistible.

I booked Chloe on the basis of her GFE skills, and she did not disappoint in any way. I would say Chloe's GFE is amongst the best available, and believe me, I am an experienced punter.

Chloe is known for her talents at deep French kissing. For me this is one very important aspect of a passionate encounter. Chloe's services mention French kissing at discretion only, but believe me when that discretion is exercised it is done with extreme passion on Chloe's part. If one has fresh breath and good hygiene, as well as mannerisms, then I see no reason why Chloe would not provide the passionate kissing that a lot of people have endorsed.

Besides the kissing, there was also the main event in various positions and of course oral both ways. Chloe is kind enough to offer a choice of fellatio with or without.

The Story:

I arrived at the location on time, to be greeted by a gorgeous young lady who was behind the opened door.

After the brief introduction and the paper work (which Chloe didn't seem too concerned about), I took a quick shower in the well-equipped cubicle.

After my shower, I joined Chloe on the bed, and she asked me what I would like. I was a little shy, so I said we shall go with the flow. Chloe then asked whether I liked kissing, to which my heart rate instantly doubled after which I confirmed that I loved it.

I was in heaven when Chloe initiated her amazing kissing which deserved a prize. As mentioned above, I am a great fan of deep passionate French kissing with lots of tongue action. The passion has to be there, and not just tongues poking in and out of each other's mouths just for the sake of it. I could see that Chloe was kissing me and immensely enjoying it. I have seen girls kiss with tongues only to have their eyes open all the time, whilst looking elsewhere. When Chloe was kissing, I briefly opened my eyes just to see that her eyes were shut wide, showing how much she was into it.

After kissing, my second best activity is going down on a sexy girl. I did this with Chloe for quite a while, and she loved it. Each and every effort of mine at a spell of cunnilingus was met with appreciative moans and body movements and at least one powerful orgasm.

Chloe's oral is good too, with lots of saliva, but it is not hard or with a lot of suction. It is smooth, soft and wet. Some people may like this style. I am not that big a fan of receiving oral, so I wasn't that concerned, but it was very enjoyable nonetheless.

Sex in various positions followed on from the kissing and mutual oral, and this felt really good. With Chloe's kissing being exceptional, there was only one way to finish....in missionary whilst snogging, and this is the way I finished.

I am glad I booked an hour with this wonderful young lady; and anyone who books less than an hour must be a fool.

Subject to my bank balance being healthy, I intend to spend more time with Chloe again very soon.

I cannot imagine Chloe ever receiving anything but glowing feedback, so guys be nice to her and get your rewards!
