The Story:

From the moment candy opened the door,i was excited,she stood so sexy in her high heels and the curves on her body are unbelievable.

candy is very good on GFE experience,soft touch,tender embrace,gentle kisses.she is completely attentive,exactly the way we all wish our girlfriends,wives would be.she seemed to genuinely want to please,not just going through the motions,great OWO all the while looking you in the eye to see if you are enjoying yourself.

exciting,warm and sexy!candy is simply not to be missed.
