The Lady:

As her description on agency website. 5'8" size 10 busty, would have been pretty had she smiled. Dressed in bright red and red stilettos, just the discrete clothing for an outcall !! Seemed disgruntled at driving from London (she had my address so knew beforehand.

The Story:

This was, for me, one helluva mistake and just shows you should stick to what you know. As she came through the front door she said, "Money now" We set off and I was asked, "What do you want to do?". When I suggested what people often do in this situation, I was told, "Kissing £30, touch breasts £30, oral £30 r.o.£30. I knew this was going to be a disaster and so it was. After a brief interlude, (I booked an hour), she was up, dressed and gone. To my discomfort her driver had parked outside my next door neighbour's house, and looked a little unsavoury. The website displays ladies who are not available when they say they are and don't visit areas they say they do. This was the worst punt I've ever had and I am sad that an agency should support such practice. An expensive and salient experience. I'll stick to purple ladies in future!!
