The Premises:

Annett is now living in a rather nice new ground floor flat. Directions were clear and parking was easy. The area appeared safe and rather nice.

The Lady:

Annett has been deccribed many times in several fora. She is tall, blonde, with stunning good looks and a model figure.

The Story:

I was lucky enough to find Annett with an appointment free at short notice. NOT something that happens too often. I was really glad I did, too.

Annett has her limits and these are clearly displayed on her website. She does get severely p....ed off with punters who dont want to stick to those limits. Also, some earlier reports were rather disparaging about her actual massage - but I am happy to say that after four years or so of practice, I found he massage most satisfactory - all the way - right up to the very happy end.

Highly recommended!
