The Premises:

What a mess, stayed in the living room, grubby sofa and the floor needed a good clean. The actual area seemed quite safe.

The Lady:

Not a bad looker quite nice figure

The Story:

Plan A failed so this was my back up. Should have save my money. Place was untidy and dirty.

After taking the money she declared she couldn't do oral because of a mouth ulcer, R/O was also off the menu, not that I fancied going down on her anyway!

No intention of going to bedroom, told we would do it in living room on dirty floor, and she started to undress, At this point I decided to leave, stupidly for her she had left my money on the table so I grabbed it back and left, leaving her sitting topless on the sofa giving me loads of verbal. Definitely one to avoid.
