The Premises:

Pinklady residence was spotlessly clean and very tidy the bedroom was decorated to a high level and the atmosphere was quiet and lighting subdued idea for those that want to concentrate on the matter in hand also with the added bonus of being able to park at the front door in a safe area which was opened immediately

The Lady:

Pinklady is a 28 year old slim size 8 i not sure of her breast size but i was not disappointed and they certainly were in proportion to the rest of her luscious body she is around 5'5" in height i think because she was wearing very sexy tall high heeled shoes her outfit was of a very high quality along with the most sexy sheer stockings

The Story:

Hmmm well this is a wee bit personal so i will keep it short she performs exstreamly well in her chosen like's including massage protected oral and protective sex i inquired about extras but she does not offer any but guys i ran out of energy well before the hour was up and although she would have been up for another session at my age i was happy to spend this time relaxing and chatting with her gently massaging my body
