### The Premises:

Juliebabe arranged to meet me at a new location for her she has just moved here and is in the process of refurbishing the whole flat so things were in the process of being prepared for the decoration however the bedroom was clean and tidy with fresh bed linen the toilet was also clean but is on her priority list to be decorated  
parking is right outside in a very safe area i felt very safe and relaxed

### The Lady:

Juliebabe is a absolute stunner her dark hair and makeup was stunning her greeting was kind and she made feel very safe and relaxed almost immediately she is around size 12 to 14 but not a big lady everything was just right her hair is dark nearly black and is down to her mid back in length she greeted me in a black dress which when removed revealed the most beautiful set of silk underwear she was spotlessly clean in all areas

### The Story:

As usual i'm a little shy in this area but here goes juliebabe is a stunning lady who dresses to perfection along with her stunning makeup  
under her dress she wore the most perfect silk underwear and stockings  
she started with a wonderful massage leading on to a slow but strong covered oral followed by fantastic sex in many positions she also offers extras but i was most satisfied with the normal services for those that like anal i'm sure its on offer but did not inquire if this cost extra  
as usual the time passed so fast but i was at no time rushed in fact i overstayed the hour conclusion  
guys o and girls this is one gorgeous lady not to be missed but bugger i'm only in stevenage every other month also she sometimes visits her friend in Lincoln so if you that area might be worth a ring
