The Story:

Took a bit of a chance on this 1 quite young no reports and new to the game! But thought hay how bad can it be!!! Wow never say never! This was quite possibly the worst experience at Annabella's! She came in no kiss no greeting. Was told to undress and get on the bed!!! Quick bj then asked if I would like a condom! Ok why not so on With the jacket when she removed her knickers and nothing els!!! Got on top and bounced a bit while looking at the ceiling and walls thinking about what she would have for dinner!!! While in compleat silence!!! So ended it there, no clean up was handed a tissue and told to pop it in the bag!!! Put my clothes on and left. On the whole not a good experience and has left me feeling quite disappointed
