The Premises:

Clean, newish block of flats near North Acton station. Cool enough inside, but there was building work outside so it was very noisy.

The Lady:

The girl who answered the phone as Eva had good accented english, as slightly cheeky and flirty and went a long way towards me making the booking. That said the actual girl I met didn't speak as well.

Definitely the same girl in the picture - though she has gained weight around her bum and tummy, still not unattractive, she was clean, tanned and had a swimmers figure - plump but taut.

The Story:

I booked her based on the phone call - which proved to be a mistake as I couldn't really talk a lot with her. That said she kissed well and was willing to initiate.

The first round ended with her on her knees giving me good oral, though I had to orchestrate some thingsm and taking my cock up to the hilt - though this was definitely a GFE deep throat rather than PSE. She was happy let me cum completely in her mouth and discreetly spat into a tissue once I had finished.

On to the bed for a very long massage and then sex in missionary position.

Nice enough girl, better than some of the others at this flat and provides a decent service for the money.
