The Lady:

Although still a very good looking girl with a real pretty face, was a bit dissapointed when comparing her in real life to her pictures. Not quite as firm/fit as first thought of.

The Story:

I had my eye on Amy and another girl from her profile pics and the services she offered. After deciding to choose Amy we agreed on £65 service but once upstairs she said didnt do the services i wanted(even though it was on her profile). Carrying on, she then stopped after 10 minutes to answer her phone. Then after 20 minutes someone knocked on the door to say our time was up! (I figured this was a rush to fit a client in that i knew was booked in at half4 as i left my seat to be taken upstairs at exactly 16.11) After 5 minutes of arguing(Amy going back and forth three times to reception as i sat on the bed like an idiot) it was agreed that i DID have 10 minutes left. But then she insisted we couldn't have sex for the remainder....eh??

Oh well, a strange and dissapointing experience. I'd probably visit again, maybe choose a different girl as my mate who came too had a cracking time with Kandi.
