The Premises:

Rather old apartment. Functional rather than particularly nice or luxurious.

The Lady:

Older than pictures suggest but still quite a head turner. Glossy long brunette with quite a lovely figure.

The Story:

Bit rushed from the start. In, offered a drink then directed to bathroom. Returned to oral almost immediately and no kissing. Came up for air and then a little kissing before slipping a condom on and onto the main event. Mish followed by doggie.

As its been a while I came quite quickly in doggie. At that point it was clear there was no further action on offer and I was offer a shower.

Out of the door within 40 mins.

Would I return? Probably not. Pleasant like the flat, functional.
