The Premises:

Well known but even posher than some will remember it - like a high-class furniture shop.

The Lady:

Superb. I had seen Summer some time ago and she looked even better now with the same gorgeous rounded breasts and the firm and beautiful bum. facially she is even prettier than before with her mixed race complexion and lovely looks usually graced with a smile.

The Story:

I knew Summer from a past meeting a few years ago but hadn't noticed she was back (she returned first as Nicole for a while) and Summer recognised me.

So we were soon extremely comfortable with each other and chatting like old mates.

Hands wandered as we chatted but Summer picked up that I was completely happy to chat with occasional fondles, sucks and kisses.

Then we got down to oral with and sex and again it was like being with a partner (I should be so lucky to have such a sexy partner) and everything was terrific.

Brilliant to see Summer again and a really satisfying visit I will be repeating very soon.
